

March 2020

Dear families, friends and visitors to the residents of our Nursing Homes,

I would like to take this opportunity to thank you all for your cooperation with the restrictions that we have had to apply to visiting residents in our Nursing Homes due to the COVID 19 pandemic.

We are acutely aware how the restriction of visiting your loved one in our Nursing Homes at the present time may be causing you anxiety and how much you miss being able to visit them in person.

On behalf of the management team, the Directors of Nursing and the staff, I would like to reassure you that we are caring for your family member as we would our family, our activity teams are working hard with innovative entertainment programmes and we have in the last week put in place a Skype facility in each Nursing Home for our residents to be able to connect with you albeit in a different way.

Below please find an update on activities going on and a message from Beechfield Manor staff for you.

Again, many thanks for your cooperation, to you and yours our thoughts are with you, stay safe,

Kind regards,

Sarah McMickan

Beechfield Manor – Activities update.

I hope you are all well and keeping safe

We are making every effort to keep your loved ones safe and happy and making sure that they are not missing you too much.

We have increased our activities programme in order to make sure our residents are not suffering any loneliness (based on what the residents have said they'd enjoy).

So, we incorporated an extra bingo, quizzes 3 times a week, exercise groups 5 mornings a week, and a baking class. The residents seem to be enjoying these activities

We have also made a log which makes it easy and quick to see who out of the residents that choose to stay in their rooms may not be receiving as many visits. We are making sure that we are spending time with them on a one to one basis

Of course, St Patrick's day was not forgotten and we made sure that the residents enjoyed the day

Yesterday, we received a tablet which means families will be able to skype and facetime with their loved ones. our activities staff will be in contact with you to arrange times for this that suit you and your loved one

Hugs from your loved ones and the staff to you and your families.

Stay safe from the Beechfield Manor team.
