

March 2020

Dear families, friends and visitors to the residents of our Nursing Homes,

I would like to take this opportunity to thank you all for your cooperation with the restrictions that we have had to apply to visiting residents in our Nursing Homes due to the COVID 19 pandemic.

We are acutely aware how the restriction of visiting your loved one in our Nursing Homes at the present time may be causing you anxiety and how much you miss being able to visit them in person.

On behalf of the management team, the Directors of Nursing and the staff, I would like to reassure you that we are caring for your family member as we would our family, our activity teams are working hard with innovative entertainment programmes and we have in the last week put in place a Skype facility in each Nursing Home for our residents to be able to connect with you albeit in a different way.

Below please find an update on activities going on and a message from Glengara Park staff for you.

Again, many thanks for your cooperation, to you and yours our thoughts are with you, stay safe,

Kind regards,

Sarah McMickan

Glengara Park

Hello to all our families

In Glengara Park we are making extra effort to reach out to your loved ones in any way we can to ensure they are not missing you too much!

We had Beanbag toss and bingo on Monday, baking class, manicure on Tuesday, aromatherapy and pottery on Wednesday, flowers arranging and fit for life exercise on Thursday, and music with Ciaran on Friday.

We are making sure that residents who prefer to stay in their rooms are receiving one to one time from the activities staff (as well as care staff)

We held a St Patrick Day party which was enjoyed by our residents

We have also purchased a tablet which is easy for residents to hold. We have set it up so that you can face time and skype your loved ones. Our activities staff will be in contact with you to arrange a suitable time for you to see and talk to your loved one.

We will continue to add a variety of activities to our programme so that the residents remain in good form and you can be reassured that they are being well cared for.

Everyone in Glengara Park misses you but please be reassured that your residents are loved and we are doing our very best to keep them happy and safe.

From the Glengara Park team
