Beech Park

A BEECHFIELD NURSING HOME

Spring 2021

Welcome

Hello to all of our dear families, firstly I would like to thank you all for all your love and support over these last few difficult months, we are forever grateful to you all and to all of our lovely residents both past and present. Together we can survive anything and we are lucky to have such good support and a great team behind us.

In this issue

Valentines Day

St Patricks Day

Easter

Spring is in the air!

Hello

In this most challenging time of all of our lives we are finally starting to see changes like the beautiful flowers blooming in spring we too are blooming and getting ready for a lovely summer of love, laughter and of course lots of fun! As the country begins to open back up we are delighted to be seeing all of our

families familiar faces again, it reminds us of what we have been through together and how much we appreciate each other as we provide care to our lovely residents. So, sit back and enjoy a cup of tea and catch up on what we have been up to these past few weeks!

Valentine's Day

The day of love began with a lot of love inside a little box from a special someone which was given to each of our lovely residents, followed by the many cards, presents and flowers you all sent to your loved ones. There was a great atmosphere around the house even though we were all still in isolation we made the most of it that day, all the residents even tuned into a romantic movie so they could enjoy together even if it was socially distanced. The day was full of love and laughter in the air!

St Patricks Day!

St Patricks Day was very exciting here at Beechpark, we all got up extra early and got our tradition green frocks on even the gents showed some green with, shamrock they wore on their shirts, some even had paddy's day glasses and flags! We had great craic in the afternoon when our local musician Eddie joined us for a Paddy's day party like no other, Eddie arrived all dressed up he put on a great show for us all we danced and sang the evening away, we all had great craic agus ceol.

Easter

Good Friday

We started easter weekend with reciting the 14 stations of the cross on good Friday, residents sang hymns after and we finished the evening with a nice movie about good Friday and the crucifixion of Jesus Christ. All our residents really enjoyed this as it is great tradition for them each year.

Easter Saturday

Easter Saturday the residents got a little creative with some decorating they made easter baskets and nests and they also made lovely easter trees with

hanging bunnies and flowers with all the spring colours this was very enjoyable for everyone and all the décor really brightened up the house.

Easter Sunday

Easter Sunday began with a tradition like any other year we started off with a Special Easter Sunday Mass live on TV. In the afternoon we had Prayers and hymns followed by a lovely Easter Dinner. In the evening time we played a few games and reminisced on past times. And let's not forget we had plenty of Easter Eggs for everyone to enjoy which were lovely.

Spring is in the air at beechpark

We all enjoyed a lovely afternoon planting seeds for summer and prepping our summer hanging baskets with Patricia our activities coordinator.

APRIL SHOWERS BRING MAY FLOWERS!

We hope you enjoyed a little insight into our lives here at Beechpark and we are looking forward with great hope and

excitement for the next couple of months to unfold as we welcome you back with open arms.

We wish you all the very best of luck with your vaccination if you have not already received and as always stay well and stay safe!

From all of us and all residents, we can't wait to see you all and feel your warm hugs and kisses, but for now we send you our virtual hugs.... Stay safe everyone.....
