A BEECHFIELD NURSING HOME

Summer 2021

## Welcome

Welcome To our August edition of Beechwood Nursing Home Newsletter. We have had a very busy few months and have many plans already in motion for the coming months for all our residents here. We also had our Olympic games coinciding with the Tokyo Olympics. Residents enjoyed participating in their very own games and enjoyed the fun and banter involved with competition.

# Beach Party and BBQ

We had our Beach Party and BBQ and there wasn't a sausage or burger to spare, they went down a treat. Thanks to Michael Dunne for presenting the medals and trophies on that day also.

A great day for all.

# Pet Therapy

Residents continued to enjoy pet therapy with Mother hen and her chicks in to visit, Bunny and her babies, Little Millie ,Bradley and Dude.

## Busy, busy, busy!

**Knitting sessions** are back now in full swing and if anyone has any balls of wool at home they have no use for, we always have a use for them here. Just leave them to any staff member and they can leave in the activity room for our residents to use. Thank you.

**Cinema room** is now open again for our residents, it's a great success and they love to watch documentaries and the world is their oyster. Music sessions and concerts are also great on the big screen!

**Bingo sessions** are every second day as requested by our residents at the meetings we have monthly. Congratulations to all our Residents who celebrated their birthdays lately, each time we have a fabulous cake and sing song to celebrate.

We have a very special birthday coming up next week, **Gertie will be celebrating being 100** years old and we will have a party on Friday 27th August from 3-4pm. We are expecting a very special letter from the president for her, containing a fabulous gold medal and cheque also so she can treat herself to lots of new clothes and treats. Well done Gertie. You are so dearly loved. Xx
