Beech Park

A BEECHFIELD NURSING HOME

Summer 2022

Welcome

As new activities co-ordinator I am delighted to be joining the wonderful team here at Beechpark nursing home.

I have been so welcomed by all the residents and I am excited for summer of fun activities with you all.

Stacey Diviney.

Activities

Prides Month

Welcome from Roshan

Activities

May

Our first new activities calendar was created with the help of residents. On May 12th we had the pleasure of hosting a party to celebrate international nurses day to thank all our wonderful nursing staff at Beechpark for all their hard work and dedication.

Residents enjoyed a trip to Kildare farm foods where plenty of laughs were had meeting all the animals and then enjoying tea and cake afterwards.

June

The courtyard is in full bloom and all set for a great summer, thanks to James Furlong for all the garden shopping and hard work in the garden.

June 8th we had another wonderful trip to Kildare farm foods where residents enjoyed wandering through the farm and tea and chats in the coffee shop afterwards.

Carers week was celebrated in style in Beechpark. To celebrate carers week our staff enjoyed a party to celebrate, gifts and a raffle.

Prides Month

We celebrated prides month. The theme was heartfelt pride in our homes. To celebrate and to mark our support of all staff during Pride, we enjoyed pride cupcakes as part of the celebration on June 24th.

Welcome to all new residents. We have an exciting summer of activities and some new renovations to the nursing home ahead. I will be looking forward to working closely alongside you all.

Roshan.
