Mount Hybla

A BEECHFIELD NURSING HOME

Summer 2022

Welcome

Lots of positive news, fun and events have taken place here in Mount Hybla this year.

Special Events

Latest News

We are delighted to welcome our new Director of Nursing Niamh Brophy but this also means we say a sad goodbye to Veronica.

Group activities have resumed to pre covid level and restrictions have been lifted so that Residents can meet their friends from all other units.

We had a fantastic surprise when all the ladies in Mount Hybla were gifted a beautiful rose from the Elder Lemon Trust.

Summer activities

After a fun-filled busy Christmas programme Residents enjoyed a return to sensory relaxing activities such as aromatherapy, meditation and the introduction of a sensory room every morning.

We also enjoyed lots of gardening and craft activities. Residents put a lot of work into potting up baskets and pots and the hallways and corridors have many beautiful new art pieces.

Events earlier in the year

We have had great craic with our annual events, Valentine's Day and St Patrick's Day were celebrated with a few music and goodies for all. Residents enjoyed a Chinese feast for Chinese New Year.

Easter, Mother's & Father's Day Celebrations

Religious practices were observed at Easter and more than a little chocolate was consumed.

We celebrated all our Residents on Mother's Day and Father's Days with gifts and parties. Some Residents enjoyed outings. These included a shopping trip and coffee morning, a trip to Avoca garden center and a trip to the Castleknock Hotel for afternoon tea.

Special events

Music to our ears!

Leonora Carney and guests entertained our Residents with an amazing classical concert which was very well appreciated by all.

Tasty treats & BBQ time

Our talented chef Marcel organized treats for all. Residents enjoyed a tasting menu of delicious food and staff enjoyed a tasty BBQ.
